DEAR MS. MESSINGER:

I AM TAKING THIS OPPORTUNITY TO WRITE YOU BY WAY OF INTRODUCTION. I HAVE SERVED SYNAGOGUES AND CONGREGATIONS IN THIS AREA AND THROUGHOUT THE COUNTRY IN THE CAPACITY OF HAZZAN (CANTOR) FOR OVER TWENTY-FIVE YEARS.

TO BEGIN WITH, I WAS ALMOST BURNED ALIVE IN THIS BLDG. DUE TO AN ELECTRICAL FIRE IN ROOM NO. 166-A DUE TO A FAULTY REFRIGERATOR ADJACENT TO MY BED. I WAS THROWN OUT OF THIS BLD. IN THE MIDDLE OF THE NIGHT WITH ALMOST NOTHING TO WEAR ON MYSELF AND WHATEVER ELSE I WAS ABLE TO SALVAGE.

I WAS SENT OUT INTO THE STREETS WITH VIRTUALLY NOWHERES TO GO AND WAS UNABLE TO OBTAIN ANY SHELTER; I WANDERED FOR WEEKS AROUND THIS AREA, LIVING RIGHT OUT IN THE STREETS FOR ABOUT TWO MONTHS, AND NOBODY WOULD HELP ME.

I WAS THEREUPON APPROACHED BY A STRANGER, BELIEVING THAT HE WOULD ASSIST ME AND SEVERELY BEATEN UP WITHIN AN INCH OF MY LIFE. AN AMBULANCE WAS SUMMONED TO THE SCENE AND I WAS RUSHED TO A HOSPITAL. THE CULPRIT MADE OFF WITH ALL MY VALUABLES, ETC.

AFTER SOME WHILE, WHEN I GOT OUT I HAD TO SIGN A RELEASE STATEMENT TO ROOM 166-A IN ORDER TO GAIN ADMITTANCE TO THIS BLDG. AGAIN. I NOW HAVE A ROOM AT LEAST HALF THE SIZE FROM BEFORE AND AM PAYING CONSIDERABLY MORE RENT FOR THIS THAN BEFORE.

SINCE THEN, I HAVE BEEN IN DIFFICULTY WITH THE INCOME TAX PEOPLE BECAUSE ALL OF MY RECORDS WERE STOLEN.

THANK YOU FOR YOUR ATTENTION.

SINCERELY YOURS,

CANTOR (REV.) LESTER LICHTER

Dear Cantor Lichter:

We have received your letter and describing the sad turn of events you have recently experienced.

We understand that there is an active tenants association in your building. Perhaps, they can help you to determine whether you are being overcharged in your rent.

Income tax problems, as you know, fall under the jurisdiction of the federal government. May I suggest you contact your Congressman who is Ted Weiss.

If you have any further questions, please feel free to call on us.

Sincerely yours,

Dear Mr. Ross,

I am writing you this letter in reference to the recent controversial issue of Topless and Bottomless.

I have a very low opinion of the whole situation. I find it most revolting. It is definitely "offensive to public decency".

A public display of this sort would contribute corruption of morality.

I am highly in favor of the bill outlawing toplessness and etc. I have contacted Councilwoman Mrs. Aileen B. Ryan. I hope you realize the "good" she is trying to do for the decent people by wanting this bill passed. Mrs. Ryan is representing the opinions of many people who are greatly disturbed by such vulgarity.

License Commissioner Joel Tyler is trying to carry out his duties as a good Commissioner. Unfortunately, he is faced with great opposition from the owner and manager of the night club which
turn →

~~first~~ first introduced topless. I think Commissioner Tyler should have the winning hand over any opposition he may be faced with. Mr. Tyler deserves "backing-up" of all members of Council in order to maintain public decency. Therefore, I suggest that this bill be overwhelmingly approved on March 7.

City officials cannot be trampled upon by unsound characters of this sort. If these topless characters win their way - the decent public will suffer. I'm sure that the majority of people of New York do not want this filth around. Especially those who are parents.

I would appreciate it, if you will take my letter into consideration. There are many who feel the same way I do. I assure you that I am speaking for a great number of people. Please, do all you can to have this bill approved.

Thank you

Dear Mr Ross,

I am the mother of two Teenager's.
I am naturally looking out for their welfare.
I take interest in what they are doing &
where they go.

I find it very alarming if New York
is going to be plagued with night club's
& discoteque employing topless & bottomless
waitresses, go go girl's and etc. It would
cause confusion pertaining to moral's
to the youth's of today.

New York certainly could do without
such down right vulgarity in public night
spots.

I am definitely in favor of the bill which
if passed will cover up waitresses and etc. I
want to see this bill passed mainly for
the sake of the youth's of today, & the next
generation.

Thank You
Mrs. Puri Melendy

Dear Sir,

The cut backs in the school budget curtailing educational services is a disaster for our children and our communities. I particularly protest the cut in Corrective Reading teachers. This service, more than any other, has gone a long way toward improvement of the reading levels of children whose reading levels are not met to par.

Please voice your opinion to restore this essential service.

Thank you.

Very truly yours,

Mrs. Janice Pelikow

Dear Ms. Carol Bellamy

Thanks for coming to school. And that long talk we had and I'm sorry I almost fell asleep. And we are hoping you'll come again. Don't worry I'll pitch in and until we have the right amount of money so we can clean the subways. And make repairs to buildings and other things. We really enjoyed your visit.

On 5/23 Mrs Bullock's 2 sons and 8 friends were sitting on a bench in the complex talking & listening to a radio. 6 men approached - wearing hooded shirts. They didn't identify themselves as police officers & told the boys to disperse. (They were from narcotics unit - not 101 pct) When one of her sons asked why they were told to hit the grounds, guns were pulled. Their radio was tossed to the ground. All the boys but 1 were sent home. The 1 boy was put into a van & driven around. By this time, Mrs Bullock came down & asked the cops what's going on. She was told to go home. After threatening to call Al Sherron the officers took the boys to the housing precinct (Edgemere Houses) & gave him a summons.

Mrs Bullock also said her son was roughed up & bruised. She is upset & asks - where are our officials when we need help?!
